

# Twin City Mission

We are approaching the opening of our new facility and community cafe in the next month. To function as a home to the homeless, **Twin City Mission** **needs your help in outfitting the rooms.** We have registered at the locations below and would greatly appreciate your support as we put the final touches on our new shelter and welcome our clients in July.

Step 1: Go online or to one of the following locations and pick out an item on the registry to donate  
**(sheets, pillowcases, towels, etc.)**

Step 2: Drop off your item at 2505 S. College Avenue in Bryan or mail it directly when using online shopping

Step 3: Join us in the celebration of the Grand Opening!
